As of 12/27/2023

VETERANS MEMORIAL CENTER (VMC) AND PARK MEMORIAL BENCH PROGRAM. JANUARY 2024

Veterans Memorial Center, Inc 400 Sykes Creek Parkway, Merritt Island, FL 32952.

As of 2021 we began a new program for donations to purchase a park bench.

Please consider a chance to honor your American Veteran, help us to improve the Center and Park and support the VMC by purchasing a beautiful Memorial Bench. Honor your hero with a special memorial that will last for decades. Here are the details and the registration form is attached for your convenience.

Mission:

The VMC initiated the Memorial Bench program in conjunction with our live tree park program and the expansion of the overall Veterans Memorial Park (VMP). This is a beautiful property including lakes, 5K walking/running paths, and recreational facilities.

To help all to better enjoy the VMP as well as to honor your loved ones, each bench will be a memorial to a recognized past veteran or family member. Each bench will have a 12" x 12" base plate secured to the front of the bench with the name and information the donor desires. This includes military service emblems and /or photographs. See the attached examples.

The initial purchase of one bench will be temporarily displayed in front of the Veterans Center Museum. Installation in the VMP will take place as soon as local government agencies involved complete installation of Park upgrades.

If you are interested in purchasing a bench, please fill out the attached form to include a check, make out to the VMC, and submit to the treasurer for the size and style of bench chosen.

If you have any questions, please contact Doug Bissett (321-208-7557), Shaun McKinney (614-327-6328), Garet McKimmie (751-239-9991), or Donn Weaver (757-871-6576).
