

## MISSION

The Brevard Veterans Memorial Center (BVMC) offers a Veterans History Project (VHP) in coordination with the Library of Congress (LOC) at no charge. The Veterans History Project collects, preserves and makes accessible the firsthand recollections of U.S. military veterans who served from World War I through the present, so that future generations may hear directly from veterans and better understand what they saw, did and felt during their service. After the recorded interview the veteran and family will be offered their own digital copy and a link to the interview on the BVMC YouTube Channel. A digital copy will also be provided to the LOC.

## TO PARTICIPATE

If you are a veteran, simply contact us and we will arrange a video recorded interview in the BVMC Library (400 South Sykes Creek Parkway, Merritt Island, 32952) or, in special cases, at your home. The conversation can last thirty to ninety minutes. That is up to you. The story can include your service and how your life was spent after the military. Remember hundreds of veterans have told their stories which are preserved forever at the BVMC Library, on the BVMC YouTube Channel, and in the LOC.
